WEIGHT	.09 lbs / 45g
DIMENSIONS W x H x D	3" (W) x .78" (H) x .78" (D) 76mm x 20mm x 20mm

INFO:

- Install on DVR side to receive an EX-SDI signal on your HD-SDI DVR
- Takes an EX-SDI input signal and converts it to an HD-SDI output signal
- Use in conjunction with an EX-SDI camera or the CE-EXSDI-T transmitter
- EX-SDI has a typical transmission distance of 800 feet
- DC12V (Power Supply Sold Separately)

CONNECTION DIAGRAM:

For HD-SDI Camera to HD-SDI DVR:

The EX-SDI RECEIVER will not work with an HD-SDI camera. If using an HD-SDI camera, the EX-SDI TRANSMITTER is required in order for the RECEIVER to accept an EX-SDI video signal. EX-SDI TRANSMITTER sold separately. (CE-EXSDI-T)
