# CRICKET DVR - QUICKGUIDE

PASSWORD

Click to enter the Main Menu. Select the Settings icon . Select "DVR Password" to enter selection.

Enter your login ID and password to login.

Password Enable	✕
Guest Password	
User Password	
Admin. Password	

Select password enabled (O) or disabled (X).

NOTE: If password function is enabled, the DVR will require a password to access: Main Menu, Playback Mode, and Event List. Those without a password are limited to live view only.

For 8 Channel

GUEST (ID: 1)   A Guest can enter playback mode and event list. (Default password: 1111)

USER (ID: 2)   A User can enter main menu, playback mode and event list. (Default password: 2222)

To Logout, click on the lower menu bar, or right-click on the mouse in live view.

NOTE: If a password is changed from its default, and later forgotten, the DVR must be sent back to Clinton Electronics for retrieval.

PLAYBACK: Time Search

NOTE: If the password function is enabled, the DVR will require a guest login (ID:1) or greater to enter playback mode.

Click the Play Button at the bottom of the screen to enter Playback Mode.

Click on a time segment and scroll the mouse wheel to change the date or time. Click the play button to begin playback.

On the bottom of the screen you will see a segmented search bar. A motion event will show as a green bar You can left-click on the area to set an orange marker for later review. These markers can not be deleted once set. Other colored icons are defined as follows:
